## MY Access!®

### A Proven Writing Instructional Solution for Proven Results

If you're serious about improving your students' writing skills, increasing students' scores on the Utah Core Assessment Program and boosting cross-curricular achievement, don't settle for anything less than the best!

Unlike other products that are available to educators today, the award-winning, peer recognized MY Access!® writing instructional solution:

- Is **aligned to Utah state standards**
- Is **aligned to core reading text books** used in Language Arts curriculum
- Provides **feedback in English or Spanish** to assist ELL/ESL students gain English proficiency
- Allows **teachers to create their own prompts** in seconds
- Is proven to **dramatically improve students' basic writing skills** in as few as six weeks

**"Using MY Access! has provided me with the ability to individualize instruction and provide feedback and do it when the students need it."**

- Kate Ross, Language Arts teacher, Mountain Ridge Junior High, Alpine School District, UT

Utah school districts such as Alpine and Davis are already using the award-winning, web-delivered MY Access!® writing instruction tool in their classrooms. Since implementing the program, these districts have seen **dramatic improvements in student writing ability as measured by statewide assessments and classroom achievement.**

MY Access! provides a fun, interactive writing environment, more opportunities to write, immediate grading of assignments, and prescriptive feedback that helps teachers conduct targeted instruction and motivates students to write, edit and learn.
