

CHECK IT!

Sure, that all-nighter seemed like a great idea at first, but now that paper is ruling your life! You have even resorted to surfing Facebook as a way to escape this assignment. You want it to be done!—finished!—turned in!

We understand the feeling. We also know that you need all the help you can get to make sure you will turn in your best work possible. But who can you turn to, especially late at night? Your roommate? No way. Someone down the hall? No, you can't trust your masterpiece-in-the-making to the person who set off the fire alarm when microwaving popcorn.

When you need to be sure you have the right "affect" or "effect," the right clauses with the right modifiers, and removed all the sloppy errors that make your professor wonder how you got out of grade school, use CorrectEnglish®—then, go to sleep!

Used by students and professors around the globe, CorrectEnglish® is an essential tool for students looking to improve their writing and their grades.
